

kesem.

Kesem supports children ages 6-18 through and beyond a parent's cancer with innovative, fun-filled programs that foster a lasting community. We're the largest national organization that has programming designed only for children with a parent facing cancer, a population estimated to be over 5 million.

"I hadn't realized how much my son's smile had been missing, until it was glued on his face at pick-up. He was more joyful, lighter, and energized. My daughter had a great time. As a mom, I now feel secure in saying 'My kids ARE doing okay. And since they're doing okay, I can now take time to make sure that I am doing okay.'"
